From the day Joey was born, we knew he was special. His vibrant personality and contagious smile could light up any room. His natural confidence gave him the ability to do anything he set his mind to. Joey started bussing tables here at our family restaurant when he was only 6 years old and he always loved talking to all the customers (and didn't mind their tips either). Most of all, he cared deeply for his family and friends. Joey always made sure everyone knew how much he loved them.

Beyond his love for the restaurant, Joey had a passion for sports. From football to lacrosse and every sport in between, Joey was chasing after his dream to make one of his loves his career. Just as he was finishing up his freshman year at Florida State University studying sports management, Joey was involved in a fatal car accident. Our family was devastated and knew that our lives would never be normal again.

To honor him, we set up a foundation in order to support a scholarship at FSU, local youth sports opportunities and other initiatives. The Joey D Foundation will continue impacting our community in the never ending way that Joey did each and every day.
